

Computer Science Industry Seminar Series 2022

TECH Talk

with

01 SEPT
2022

12H00 – 13H00

Presenters

SHEETHAL KALUA – Head of Operations

TOPIC: Recruitment process and Career Progression at Singular

Brief synopsis: Consulting interviews typically have three components: Application screening, problem solving tests and case interviews.

ANNELINE BASDEO – Vice-President

TOPIC: Becoming a Management Consultant post-covid19

Brief synopsis: The presentation will cover:

- Discovering Singular as a company.
- What is Management Consulting?
- The Impact of Covid on Management Consulting

Ms. Anneline Basdeo studied her Bachelor's and Master's degree in Chemical Engineering at the University of KwaZulu-Natal. She has more than 6 years of experience as a Consultant, advising projects in mining and industrial goods. Her areas of expertise include organisational transformation and turnaround which supported multiple companies across Africa.
